

# INSTALLATION MANUAL

## Front Fairing – MT-10

1. Remove the two screws using a 4 mm Allen key.

2. Push in the body clip using an Allen key or screwdriver, then remove the clip.

3. Repeat on the opposite side.

4. Lift up and remove the covers on both sides.

**5. Install the front fairing using M5 stainless steel screws with thread locker. Tighten firmly but do not overtighten.**

**5. Install the front fairing using M5 stainless steel screws with thread locker. Tighten to a maximum of 0.5–1 Nm torque (fingertip tight only). Overtightening may damage the product. Video proof of correct torque installation during first installation is required for any warranty claim related to mounting damage.**

# PAINTING & PRODUCT INFORMATION

**Material:** PETG (Polyethylene Terephthalate Glycol).

## **Mounting for Painting:**

- Always use both mounting points on the underside when securing the part.
- Ensure stable mounting to prevent movement.

## **Surface & Finish:**

- This is a 3D printed product. Minor surface variations and layer lines may be present.
- To achieve OEM/factory finish, sanding, filler/primer and proper paint process is required.

## **Compatibility:**

- Designed to fit with PUIG front winglets.
- When using replica or third-party winglets, modifications will most likely be required.
- No guarantee of fitment is provided when using third-party or replica components.

## **Recommendations:**

- Always test fit before painting.
- Professional painting is strongly recommended.
- Avoid excessive heat during curing.
- Do not oversand edges or mounting areas.

## ■ LEGAL DISCLAIMER – FROSTRUD SOLUTIONS

All products are intended strictly for off-road use only (track, closed circuit, private property).

These products are NOT street legal and may not comply with road regulations.

**Acceptance of Terms:** By purchasing, installing, or using this product, you agree to all terms.

### **Legal Compliance:**

- You are solely responsible for compliance with all laws.
- Use on public roads may be illegal.

### **Assumption of Risk:**

- All risks related to installation and use are assumed by the customer.

### **Installation Responsibility:**

- The customer is responsible for proper installation and maintenance.

### **Warranty Disclaimer:**

- Products are sold 'AS IS' and 'WITH ALL FAULTS' without warranties.

### **Limitation of Liability:**

- Frostrud Solutions is not liable for any damages, injuries, or losses.

### **Third-Party Components:**

- No guarantee of fitment when using third-party or replica parts.

### **Indemnification:**

- The customer agrees to hold Frostrud Solutions harmless from any claims.

If you do not agree with these terms, do not install or use the product.

# TERMS AND CONDITIONS

By completing a purchase, you confirm that the product will be used for off-road purposes only.

All purchases are final unless otherwise stated.

The customer is responsible for proper use, installation, and compliance.

No warranties are provided beyond what is explicitly stated.

Use of third-party components is not guaranteed.

Frostrud Solutions reserves the right to update terms without notice.

If you do not agree, do not use the product.
